Day 1

### WARDE DAY 2017

Warde Day 2017 will have a different look. Our focus this year is on career exploration. We have invited and are lucky enough to have approximately 80 members of our community coming into school on **Friday, May 19, 2017** to talk to us about their careers and the paths that they have each taken to get there. Every student will have the opportunity to select 2 presenters and listen to them speak about how they got to their current career. Students should select a career that they may want to pursue or one that they find interesting. The Warde Day committee, along with all of our faculty & staff, have worked hard to find a wide variety of speakers & careers so we are confident that there is something for everyone!

- **Signups will held during advisory on May 10<sup>th</sup>.**
  - There is a link on the student activity website. There is a google form for students to fill out. This form will ask students to select their top 3 career choices. They need to sign into their .net account to fill out the form.
