Day 2

### WARDE DAY 2017

Warde Day 2017 will have a different look. Our focus this year is on career exploration. We have invited and are lucky enough to have approximately 80 members of our community coming into school on **Friday, May 19, 2017** to talk to us about their careers and the paths that they have each taken to get there. Every student will have the opportunity to select 2 presenters and listen to them speak about how they got to their current career. Students should select a career that they may want to pursue or one that they find interesting. The Warde Day committee, along with all of our faculty & staff, have worked hard to find a wide variety of speakers & careers so we are confident that there is something for everyone!

- **Signups will held during advisory on May 10<sup>th</sup>.**
  - There is a link on the student activity website. There is a google form for students to fill out. This form will ask students to select their top 3 career choices. They need to sign into their .net account to fill out the form.

## *School Counseling and Career Center News*

### **GET INSPIRED!**

We are excited to announce that on May 26, 2017 the Fairfield Warde School Counseling Department will be hosting two College Essay Workshops. We are pleased to welcome Kayon Ellis, an admissions counselor at the University of Rochester, to present helpful suggestions to guide you in writing a more effective college essay. Ms. Ellis will also share how to make college essays stand out to admissions officers.

This is a wonderful opportunity for current juniors to learn, from an experienced admissions counselor, what to do - and what not to do - when writing a college essay.

Two workshops are being offered, each **limited to 100 attendees**, so sign up early! An invitation with links to the registration form was sent to you via Naviance; registration information is also listed below. *Each student may only register for one workshop.*
