

March 1, 2018

Dear Students and Parents,

As a result of our continued work with our school community and the Fairfield Police Department around enhancing our school's safety and security, the entrance doors to Fairfield Warde High School will be limited during arrival time beginning **Monday, March 5th**.

There will be four entrances:

1. Main Entrance to the school
2. Bus loop by the music area
3. Rear Townsend entrance
4. Pequot office entrance

All other doors will be locked and students should not be open them. Please use only the four identified entrances.

We ask parents and students to please plan ahead and adjust their drop off to be on time for class at 7:30.

Thank you!
