

Parents and Families,

The holiday break is here. This is a great time to snuggle up with a good book and enjoy some reading together. Don't forget you have access to a great resource called Big Universe. Click on Virtual LLC and select Big Universe on the left under online Reading. Log in and locate some just right books for your children to enjoy.

Remember the Fairfield Public Library is a free resource for families that holds the most current selection of picture books, chapter books, audio books and online resources and games.

Reading together is a wonderful way to share family time and build memories.

Thank you!
