Fairfield Warde High School will be hosting a **STEM Night** on **Thursday, March 14, 6-9 p.m.** We will have Robotics activities, Graphic t-shirt printing, CADD activities, Wood manufacturing demonstrations, Science activities and much more. There will also be local organizations and companies setting up exhibits; demonstrating **STEM** in their fields. This being our first event, we are limiting attendance to **50 families per school**. This amount may be adjusted based on the number of attendees per family. This will be a way to encourage more kids to consider a future in STEM and see how STEM is all around them. We want to open the eyes of younger audiences to the vast opportunities ahead of them. We hope that many people will want to come and this event will grow in the future. **Parents can sign up** with the following form: <https://goo.gl/forms/JGsKcfgZVMGUaALu1>.
