

Burr Supplemental Supply List 2015-2016

Dear Burr Parents,

The policy of the Fairfield Board of Education calls for schools to provide educational supplies and equipment in an adequate amount for the education program for all students. As in previous years, our school will provide for your child's instructional needs by providing supplies and materials for the class. The supplies listed below will help supplement the work your children do at school. If your family needs financial assistance with the purchase of any of these school supplies, or if you have any questions or concerns, please feel free to contact me.

Thanks,
Jason Bluestein
