Burr Elementary School PTA Directory & Membership Information Form 2016-2017

The Burr PTA publishes and distributes one student directory per family at the start of each school year. Eligible recipients of the Burr PTA directory shall be only a parent/guardian of a child currently attending Burr School, and Burr staff. We follow a non-solicitation policy. If your family would like to be included, please complete, sign, and return this form to school. The directory is provided free of charge as a service of the Burr PTA, however additional copies of the directory may be pre-ordered for purchase (see below).

Please verify and/or correct the information below for accuracy, and sign below for authorization. Your signature signifies your permission to publish the information below in all future Fairfield School PTA directories. You may opt out at any time by contacting a Directory Committee chair.
