

September 3, 2013

Dear 1L Families,

Today 1L visited the LMC for a beginning-of-year orientation. We listened to Mrs. Robinson read a funny story and enjoyed learning about all the different books in the LMC. Your first grader was able to take home one special book of his/her choosing.

Beginning next week, your reader will now be able to pick out books from the LMC ***every Tuesday***.

Library books should be read by students and/or read to them on a regular basis.

Please enjoy these special stories and *return them weekly, Tuesday mornings* (if not before), so your reader can pick new books to treasure!

Thank you so much for your help and support!

Mrs. Littrell
