

1L's Weekly News - Week of June 1st

Dates to Remember:

* This Friday, June 5th is **Field Day**. Please have your child remember to wear his/her tie-dyed shirt and sneakers. Any sunscreen should be applied at home in the morning, and students should bring a change of clothes in their backpacks, as some Field Day stations have games involving water. Parents are invited to eat lunch outside with their child on Friday if they'd like. First graders will be eating from 12:05-12:25 p.m.

* Our final field trip of the year will take place next Thursday, June 11th. We're heading to the Audubon for a program about butterflies. Students will need to bring **lunch from home** this day.

* Our end of year party will take place on Tuesday, June 16th from 1:00-1:30 p.m. All parents are invited to attend this First Grade Family Picnic!

Reader's Workshop:

In Reader's Workshop we will wrap up our study of theme. Our readers are having some great discussions about books in our classroom!

Writer's Workshop:

This week we'll continue to work on our fiction writing in Writer's Workshop. We'll focus on adding dialogue to our stories.

Math:

This week in Math we'll continue to use an open number line to solve addition and subtraction problems.

Word Work:

We will continue to practice our first grade Word Wall Words with a variety of activities this week!

Science/Social Studies:

* We have wrapped up our monarch butterfly research. Ask your scientist about his/her favorite butterfly fact!

* I'm sure you're hearing all about the painted lady butterflies that are growing in our classroom. Last week the caterpillars formed their chrysalises. It's just a matter of days before our butterflies emerge!

Odds and Ends:

* Please return all LMC books when your reader is finished with them.
