

Online Keyboarding Programs for Kids!

Dance Mat Typing: <http://www.bbc.co.uk/schools/typing/>

- Sequential lessons with reward screens
- Animal guides
- 10-minute lessons
- 20 small typing tasks
- About a dozen lessons in the sequence

Keyboard Climber: <http://www.tvokids.com/games/keyboardclimber>

- Help the monkey to climb ever higher by correctly typing the letter above him.
- Clue to which hand to use based on left or right of screen.
- Monkey falls to bottom of current level with each mistake.

Typing Chef: <http://www.sense-lang.org/typing/games/typingchef.php>

- Type the word in the bubble before it pops.
- In later, more challenging screens other food falls into pan.
- Game works on speed of typing target words that get increasingly complex.

Typing Defense: <http://games.wordgames.com/media/typing-defense.swf>

- Type word associated with each asteroid before it collides with earth.
- Planetary defense ray destroys correctly spelled asteroids.
- Additional key words earned like "slow, ice, and strike" as increase in levels.
