

THE IMPORTANT BOOK
ABOUT
WASHINGTON, DC

BY THE STUDENTS OF 2-G
WINTER 2014

WE RESEARCHED IMPORTANT PLACES IN WASHINGTON, D.C.

Then we used our research to
create poems based on the book,
"The Important Book"
by Margaret Wise Brown

We hope you enjoy our work!

The important thing about the Air and Space Museum
is it was built to show the history of air and space exploration.

It is made of marble.

And it teaches us about space crafts.

And it has 17,000 space objects.

But the important thing about the Air and Space Museum
is it was built to show the history of air and space exploration.

By Ben

And it has 1864 Union and Confederate soldiers buried there. But the important thing about the Arlington National Cemetery is it remembers men and women soldiers who served our country.

By Cullen

The important thing about the Bureau of Engraving and Printing is that it makes the paper money and other special documents used by the government.

Alexander Hamilton was the first United States Secretary of the Treasury.

There is a printing press that makes money 25 hours a day.

And all presidents are on paper money.

But the important thing about the Bureau of Engraving and Printing is that it makes the paper money and other special documents used by the government.

By Drew

The important thing about the Pentagon
is that it keeps the military strong and the U.S. freedom safe.

It is the largest office building.

And it is the Department of Defense. It is in charge of the
Army, Navy, Marines, Air Force, and the Coast Guard.

And the people of the Pentagon spy on enemies there.

But the important thing about the Pentagon
is that it keeps the military strong and the U.S. freedom safe.

by Ellie

The important thing about the FDR Memorial
is it honors Franklin Delano Roosevelt who helped our country
through hard times.

FDR served more than twelve years as president.
The heaviest stone in the memorial weighs more than seven
large elephants.

It took 31,439 stone blocks to build the FDR Memorial.

But the important thing about the FDR Memorial
Is it honors Franklin Delano Roosevelt who helped our country
through hard times.

By George

The important thing about the World War II Memorial is it remembers who fought for freedom in World War II. It has 56 pillars in two curved rows and 48 of them represent states.

And it has two pavilions and one says "Atlantic" and the other one says "Pacific."

And it has a Freedom Wall and the Freedom Wall has 4,000 gold stars and each star stands for 100 men who died in the war.

But the important thing about the World War II Memorial is it remembers who fought for freedom in World War II.

By Grace

The important thing about the Air and Space Museum
is it shows the history of air and space exploration.

It is made of marble.

And it teaches us about spacecraft.

And it has 17,000 space objects.

But the important thing about the Air and Space
Museum

Is it shows the history of air and space exploration.

By Henry

The important thing about the Federal Bureau of Investigation
is that it protects and defends the U.S.A.

And F.B.I. agents use a cane that is a shotgun for undercover
work.

And they study notes and other evidence in labs.

And it gathers facts and information to protect our country.

But the important thing about the Federal Bureau of
Investigation

is that it protects and defends the U.S.A.

By Jack

is the President lives there and works there.

It is more than 200 years old.

And has the Oval Office where the president works.

And it has a swimming pool, movie theater, and 32 bathrooms.

But the important thing about the White House is the President
lives there and works there.

By Jade

The important thing about the Vietnam War Memorial is that it is a place for people go to remember the servicemen and servicewoman who died in the Vietnam War.

More than 58,000 U.S. soldiers died in the Vietnam War.

A diamond next to the name means they died in the War. A cross next to the name means they are still missing.

And in 1982 they started to build the memorial and 8 months later the memorial was finished. Two black granite walls form the Vietnam War Memorial.

But the important thing about the Vietnam War Memorial is that it is a place for people to go to remember servicemen and servicewomen who died in the Vietnam War.

By Liam A.

The important thing about the Korean War Memorial
is it honors Americans who served in the War.

This war made South and North Korea divided.

And the memorial has the Pool of Remembrance. It is shallow
and the pool is to honor the dead and it says "Freedom is not
Free."

And it has a mural wall that is 164 feet long and it has 41 panels
and there are soldiers carved in the wall.

But the important thing about the Korean War Memorial
is it honors Americans who served in the War.

By Liam F.

The important thing about the Federal Bureau of Investigation
is it is to protect and defend the U.S. and civil rights.
FBI agents use a walking cane shot gun for undercover
investigations.

And FBI Agents investigate terrorism.

And you can take a tour to see the firing range, fingerprint labs
and crime labs.

But the important thing about the Federal Bureau of
Investigation
is it is to protect and defend the U.S. and civil rights.

By Liam M.
