

Here's what we are up to in 1K this week!

October 26th-October 30th

Reading: We will continue practicing reading with partners this week! Partners are practicing reading “just right” books to each other as well as asking each other great questions about their books. They have all really been enjoying reading with partners!

Writing: We are finishing up our small moment unit this week. We will discuss how to give our stories a great ending and how to use all of the strategies we have learned to write a fantastic small moment story!

Math: We will be wrapping up unit one this week! We will be skip counting as well as looking for patterns.

Science: We will be finishing up our Shadows unit in science very soon. Our next unit will be a Social Studies unit where the students will be learning about different people in their community.

Word Work: New words- be, do, how, has, went
