

Here's what we are up to in 1K this week!

December 14th –December 18th

Reading: We will be wrapping up our non-fiction unit of study this week! You can ask your reader some interesting facts they have learned from their non-fiction reading!

Writing: We are wrapping up our non-fiction unit in writing this week! We will be adding some finishing touches to our teaching books by focusing on editing. We will specifically be adding correct punctuation and making sure we start each sentence with a capital letter. You can ask your writer what their favorite teaching book is they have written in this unit!

Math: We will also be wrapping up unit 2 this week in math. We will spend some time reviewing related facts ($2+4=6$, $6-4=2$) as well as missing addends ($2 + \underline{\quad} = 8$).

Social Studies: We had quite a few community visitors this week come in to talk about their roles in our community! Mr. Kahn taught us that banks can keep money and special things safe. Mrs. Corrigan taught us all about volunteering, and how we can be a volunteer. Mrs. Adebayo talked about her job as a therapist, and how she helps children fill buckets. Nurse Addy talked to us about being a nurse in a hospital, and how important it is to wash your hands to keep germs away! The students have really enjoyed having parents come in to talk about their roles in our community. Thank you to all who have volunteered!
