

Here's what we are up to in 1K this week!

December 21st –December 23rd

Reading: This week we will continue reading different versions of The Gingerbread Man and talk about the similarities and differences from story to story. If your child has a version of The Gingerbread Man they would like to share with the class, they may bring it in any day this week for us to read!

Writing: We will be practicing how to write letters and cards this week, as well as discussing why we might write letters or cards. We will also talk about the different parts of a letter.

Math: We will spend some time this week learning new math games that will help us practice our addition and subtraction facts.

Social Studies: A big thank you to Everly's mom for coming in to talk about working for GE, and the types of the things GE makes.

We will be wrapping up our community unit this week. A HUGE thank you to all that volunteered their time to come in and talk to 1K. We are so appreciative and the students have learned so much about the different roles in our community!

Word Work: Same words: by, had, they, want, will
Word work focus: Short vowels

Special Notes:
