

Here's what we are up to in 1K this week!

February 29th - March 4th

Reading: We will continue to read stories and discuss different themes this week in Reader's Workshop to wrap up our character unit. Last week we had some wonderful discussions about theme and used evidence from the text to support our thinking. We will also read some Dr. Seuss books this week in celebration of Dr. Seuss's birthday/ Read Across America Day on Wednesday, March 2nd.

Writing: In Writer's Workshop this week we will wrap up our persuasive writing unit! We will continue to work on writing book reviews and focus on editing our pieces to understand when to use an uppercase/lowercase letter in our writing.

Math: This week in our place value unit we will be comparing numbers and learning the greater than (>) and less than (<) symbols. We will also be learning to order numbers using the vocabulary least and greatest.

Science: The students have worked hard researching their animals the past few weeks! They will now spend time creating a fun project using their research. You can ask your child some fun facts they learned about their animal!

Word Work: Same words this week: **but, here, our, put, your**
Word work focus: Vowel teams

Special Notes:

- Thank you Mr. de Calice for coming in to talk to 1K about his culture! The students learned all about growing up in Italy.
- Wednesday, March 2nd is Dr. Seuss Night at Dwight at 6:00!
- If you would like to order from Scholastic, please have all orders either sent back to school or online by Friday, March 4th.
