

## Here's what we are up to in 1K this week!

April 25<sup>th</sup> - April 29<sup>th</sup>

**Reading:** This week in Reader's Workshop we will be practicing new Reader's Theater scripts based on different fairytales. Last week, the students performed for KL and their book buddies and did such a great job! They are really enjoying practicing and performing the different Reader's Theater scripts. You can ask your child what part/s they have this week in our new fairytale scripts!

**Writing:** In Writer's Workshop this week we will be working on a secret writing activity that is for an upcoming holiday. ☺

**Math:** We are continuing our "Measurement and Time" unit this week in math focusing on telling time to the hour using the term o'clock. We will learn how to recognize time on both digital and analog clocks as well as be able to draw times on a clock using the minute and hour hands.

**Science/Social Studies:** Last week we had Mrs. Sciuto, Fairfield's Recycling Coordinator, come in to speak to 1K about recycling. The students really enjoyed the presentation and learned a lot about what can and can't be recycled as well as composting!

**Word Work:** Same words as last week: **brother, come, just, sister, were**  
Word work focus: contractions (don't, can't, etc.)

### Special Notes:

- Tuesday, April 26<sup>th</sup> there will be no school for students due to the primary election.
- On Friday, May 13<sup>th</sup>, 1K will be going to the Audubon Birdcraft Museum for our CANE fieldtrip. Please make sure students wear sneakers and dress for the weather, as the majority of the fieldtrip will be outside.
- On Tuesday, May 17<sup>th</sup> we have an in-school fieldtrip where the first grade will learn all about butterflies from a scientist from the Eli Whitney Museum.
- On Friday, May 20<sup>th</sup> at 2:15, all parents are invited to 1K for a special Reader's Theater presentation! More details will follow in the coming weeks. ☺
