

Here's what we are up to in 1K this week!

May 16th - May 20th

Reading: This week we will spend time practicing our Reader's Theater plays. We can't wait for you all to join us for our presentation on Friday!

Writing: We will continue our poetry unit in Writer's Workshop having some fun learning about repetition. Students will also write poems about a special object to them!

Math: We will continue our unit "Addition and Subtraction Within 100" in math this week. We will talk about adding 10, 20 and 30 to a two-digit number by learning to use any ten as a "landmark number". We will play some fun games to begin our exploration and learning of adding two-digit numbers.

Science/Social Studies: Our painted lady caterpillars have arrived! The students are excited to watch them grow and be able to watch the life cycle of a butterfly first hand. 😊

Word Work: Same words: **about, down, friend, school, second**
Word work focus: review of vowel rules

Special Notes:

- Tuesday, May 17th we have an in-school fieldtrip where the first grade will learn all about butterflies from a scientist from the Eli Whitney Museum.
- Friday, May 20th at 2:15, all parents are invited to 1K for a special Reader's Theater presentation!
- If you would like to order autographed books by author Elise Broach who will be visiting Dwight in June, please make sure all order forms are in by May 18th.
- First grade will be tie-dyeing shirts for field day! Please send in white shirt labeled with your child's name by next Wednesday, May 25th.
- Wednesday, June 15th from 12:45-1:15 will be our end of year party! All parents are invited to attend this First Grade Family Picnic. Please see the invitation that came home last week for more details 😊
