- Congratulations to Libby Kennedy and the Best Buddies program. This is a new club to Ludlowe that started up this fall. It brings one-to-one friendships between people with intellectual and developmental disabilities and typical peers. Fairfield Warde is now organizing a new chapter also.
- Our ALL STATE MUSICIANS were accepted to perform in the CMEA All-State Festival held in Hartford April 1. They are: Sophia Bookas, Kieran Brown, Blaise Carter, Lauren Dewitt, Nick Fech, Samuel Koeck, William Mandelbaum, Maddie McDermott, and Leila Mishalani. These students auditioned at the regional level, and after being accepted to the Western Regional Festival, were then invited to audition for All-State.
- The Red Cross Blood Drive this month was a huge success with about 42 units of blood donated. This is the exact number of units that were collected during drive held in the Fall Drive. Our goal was to collect 40 units. Each blood donation can save up to 3 lives, which means a potential 126 lives saved!
- The girl's ice hockey team which is comprised of both Ludlowe and Warde girls had the best record in school history with the record 14-5-1. Also, for the first time, they qualified for the FCIAC tournament and State tournament. Brian DePodesta is the Head Coach.
- The Tennis Junior Nationals also have a lot to brag about. Katherine Luttmann competed in the Platform Tennis Nationals on March 5 with her partner Hannah Bjorkman; they won the Girls 18+ Under. Finalists were Stephanie Maluso and Heather Ivans.
- The Girls Ski Team along with their coach Gary Quiricone won the Connecticut State Championship. Athletes that made the Ski Team/All State are: Michaela Flemming and Sierra Salts for Girls and Jack Tague for Boys.
