

Categorical vs Quantitative

Identify each

Which type of graph goes with each

Identify Graphs

What is wrong with this graph

Missing parts

Proportion issues:

Distorted y-axis

Bad breaks

Pictograms

Make a pie/histogram/bar/stem and leaf (split)

Distributions

Identify them

Describe them

C,S,S,O

Understand them

Table or graph that shows:

All the values the variable has.

How many times it has each value

Seasonal Adjustment
