 Re: Fall Sport Tryout Times and Places

Welcome to Fairfield Ludlowe High School! We offer a total of 34 different athletic teams during the year for you to choose from

To be eligible to participate in tryouts for a team, you will need to have a **parent permission form completed online along with a current physical form.**

The **Parent Permission Sign-up** is found at fairfieldschools.org/schools/flhs/athletics/, and you will then see a link called **To Register for Sports CLICK HERE**. When you click on that it will take you to a web page where your parents will be entering parent permission information for themselves and for the student athlete.

The physical form is only accepted if it is completed on the school-provided form or the blue state form. **Please note, the physical form for all fall sports is due by Thursday, August 13 (except football due Aug. 7).** Please keep a copy of the physical you hand in. We will have a meeting of all athletes interested in playing on a fall sports team (except football which starts on Wednesday, August 13) on **Monday, August 24, at 6:00 p.m. in the aux gym at FLHS**. At this time all parent permission online registrations should have been completed. If you are still away on vacation and cannot be there, be sure that all info is completed. Physicals handed in on Thursday, August 27, will not allow you to participate until they are processed. The physical must be less than 13 months old to be accepted.

Below is a list of times and locations for the fall sports. Tryouts will continue on the Monday beyond the schedule printed below. Once school has started, shuttle buses will transport athletes to off-site athletic venues for practices and games. You can also call the Athletic Info line at **203-255-7247** for updates.
