

FAIRFIELD LUDLOWE HIGH SCHOOL COURSE SELECTION PROCESS

The process of selecting courses is a serious, cooperative effort involving you as the student, your parents, your teachers, and your school counselor. On the other side of this document is a worksheet for you to use while initially selecting courses, discussing the options with your parents, teachers, and counselor. Once this worksheet is complete—you will be able to go on line and register for your courses. After you have entered your courses online you will print out a final request sheet that will be signed by you and your parent.

Your signatures (parent & student) indicate your commitment to these requests. It is important that we have accurate requests so that we can offer the correct number of sections of each course with appropriate class sizes. Please understand this is a process to be taken very seriously and that you are responsible for your decisions.

Please review the Change of Program Policy in the *Program of Studies*. ***
