## ¡Mi viaje al extranjero!

**Antecedentes:** Cuando decidiste viajar a un país/una ciudad hispanohablante tu familia estaba tan preocupada que ofreciste escribirles mientras estabas allí. Para compartir la experiencia con tus amigos, tu familia, y tus profesores sin tener que escribir un correo electrónico a todos, escribiste un blog que ellos podían acceder.

**Tarea:** Escribir una página blog en que hablas de tu viaje a una ciudad o un país hispanohablante

**Público:** Tus profesores, tus amigos, tus padres – ¡cualquier lector del blog!

**Propósito:** Para comunicar con tus conocidos y explicarles un poco sobre el país adónde fuiste, sobre tu viaje específicamente, y mostrarles cuánto sabes del español
