Snow showers bring May flowers? April sure is off to a rough start with a snow storm to welcome us into the Spring season! The school counselors have been busy with SAT testing, Junior Parent meetings, and helping seniors decide on their plans for next year! Testing season will continue with AP Exams in May. Our administrators have been working hard to create the master schedule for the 2018-19 school year. We cannot believe the year is shortly ending!

Spring is a busy season for the School Counselors to visit colleges. Mrs. Caron went to the Pennsylvania to visit Dickinson and Gettysburg, Ms. Baucó visited DC to see American, U of Maryland, and James Madison. Two of our counselors got some sun in California; Ms. Trahan saw UC Irvine and Occidental College, and Ms. Caserta saw University of San Francisco!

JUNIORS!! JUNIORS!! JUNIORS!!

Junior post-high school planning meetings have been happening throughout March and April. If you have not made your appointment yet, call your School Counselor ASAP to set it up.

- Webster House: 203-255-7238
- Wright House: 203-255-7242

Visiting Colleges?

Making the most of your college visits:

- Act like a tourist: take pictures and videos, write notes, and ask questions...this could be your one time on campus before applying!
- Eat on campus and talk to current students. Remember your tour will show you the best of the best, so be sure to see the rest!
- Drive through the area: see what else goes on around campus.

SENIORS!!

Please remember to update your school counselor with any responses you have heard from your college applications. It is imperative we know the result of each application, as well as which school you will be attending in the fall. We cannot send final transcripts to your college unless we know, so share the good news ASAP!
