

Fairfield Ludlowe High School Counseling Newsletter

[Check out our department's website here!](#)

Welcome back students! We hope everyone's summer was restful and relaxing! The school counselors came back in August excited for the new school year and ready to get down to business. We worked hard to ensure all students schedules were set for the first day of school and are still busy getting everyone up and going. Stop by and see us to say hi!

Friendly reminder – All freshman and sophomores should have study halls; if your child has an empty please have them see their school counselor.

Questions regarding schedule?

School policy states that the following are the only reasons to change a schedule:

- Incomplete credits
- A course error by the school
- Change resulted in a course failed in June
- Change due to summer school class completed
- Change needed for college requirement

All students are responsible for attending all classes on their schedule.

Attention Freshmen!

During the month of September you will receive a pass in homeroom for a small group meeting with your counselor. In these meetings, we will review credits for graduation, school policies, extra-curriculars and how to join clubs, IC, and options for extra help. This is a great time for counselors to meet their new students and kick off the school year!

Interested in Becoming an NCAA Student-Athlete?

The kick off of a new school year is a great time for students to start the initial-eligibility process by registering with the Eligibility Center.

Two different accounts are available when a student registers at eligibilitycenter.org. Below are detailed instructions for completing both types of accounts.

Certification Account

A student-athlete must be certified by the NCAA Eligibility Center to compete at an NCAA Division I or II school. A student must also be registered with a Certification Account before they can make official visits to a school or sign a National Letter of Intent in Division I or II. The registration fee is \$90 for domestic students and \$150 for international students. Registration typically takes approximately 30 to 45 minutes.

Profile Page

If a student-athlete is currently unsure which division they want to compete in or plan to compete at a Division III school, they should create a Profile Page. Creating a Profile Page is free and easy. Students should expect 15 to 30 minutes to complete a Profile Page. If at any time the student wishes to play at the Division I or II level, they can transition to a Certification Account and pay the registration fee to begin the certification process.
