Dear Parent/Guardian,

You are receiving this letter because College Board has approved for your child to receive **100% extended time** on the PSAT School Day administration. This means your child will receive **5 hours and 55 minutes** to complete the PSAT, instead of 2 hours and 55 minutes. They must remain in the testing room for the entire 5 hours and 55 minutes to receive this accommodation.

On October 10, 2018, all students who are testing with 100% extended time will report to an assigned room (signs will be posted and students will receive a pass). **Testing will occur over TWO days**, October 10 and 11. On October 10, testing will occur from 7:30 a.m.-11:45 a.m. On October 11, testing will occur from 7:30 a.m.-9:00 a.m. Students will resume their regular schedule on October 11 once testing has ended.

Students with 100% extended time are strongly encouraged to **bring a snack** to eat during break as they will not be served lunch on the first day of testing. Students with 100% extended time students **WILL** receive lunch on the second day of testing.

Once again, students testing with extended time must **remain in the testing room for the entire time** they are allotted. If your child does not want to test with their accommodations and you are in agreement, please sign the bottom of this form to opt your child out of testing with accommodations for the PSAT School Day administration. Please return this form to room 266 by Wednesday, October 3.
