Ever wonder what really happens inside the highly selective college admissions process? Who Gets In and Why, an interactive workshop designed by the Tufts University Office of Undergraduate Admissions, aims to show you. First, attendees will learn about the different components of a college application, and how those materials are evaluated by admissions offices. Next, everyone will participate in a case study designed to resemble the admissions process, featuring six real applications from prior Tufts applicants. Who Gets In and Why is a rare opportunity to get an inside look at what happens once applications are submitted. All are welcome, but pre-registration is strongly encourage.
