Dear Grade 11 Parent or Guardian,

You are receiving this letter because College Board has approved for your child to receive **50% extended time** on the Connecticut SAT School Day administration. This means your child will receive **4 hours and 57 minutes** to complete the SAT, instead of 3 hours and 30 minutes. They must remain in the testing room for the entire 4 hours and 57 minutes to receive this accommodation.

On April 9, 2019, all students who are testing with 50% extended time will report to an assigned room (signs will be posted and students will receive a pass) at 7:30 a.m. and will be dismissed from school at the normal time. Testing will occur 7:30 a.m.-1:30 p.m. with minimal breaks (see schedule below). Students with 50% extended time are **strongly encouraged** to **bring a snack** to eat during break as they will not be served lunch.

Once again, students testing with extended time must **remain in the testing room for the entire time** they are allotted. **If your child does not want to test with their accommodations and you are in agreement, please sign the bottom of this form to opt your child out of testing with accommodations for the April 9, 2019 Connecticut SAT School Day administration.** Please return the form to room 266 by Friday, April 5.
