

Fairfield Ludlowe High School Counseling Newsletter

[Check out our department's website here!](#)

The school counselors have been busy with Junior Parent meetings, NGSS testing, and helping seniors decide on their plans for next year! Testing season will continue with juniors taking the CT School Day SAT on April 9th and AP Exams in May. Our administrators have been working hard to create the master schedule for the 2019-20 school year. We cannot believe the year is shortly ending!

Spring is a busy season for the School Counselors to visit colleges. Mrs. Caron went to Virginia to visit Roanoke College, Mr. Sutcliffe headed over to St. Louis to see Washington University in St. Louis, and Ms. Trahan flew to Texas to see four schools, including Texas Christian University and Southern Methodist University. Visits like this bring back a wealth of information both for counselors and for students, so we look forward to Ms. Caserta visiting Salisbury University this month as well!

JUNIORS!! JUNIORS!! JUNIORS!!

Junior post-high school planning meetings have been happening throughout the late winter and spring. If you have not made your appointment yet, call your School Counselor ASAP to set it up.

- Warner Counseling: 203-255-7225
- Webster House: 203-255-7238
- Wright House: 203-255-7242

Visiting Colleges?

Making the most of your college visits:

- Act like a tourist: take pictures and videos, write notes, and ask questions...this could be your one time on campus before applying!
- Eat on campus and talk to current students. Remember your tour will show you the best of the best, so be sure to see the rest!
- Drive through the area: see what else goes on around campus.

SENIORS!!

Please remember to update your school counselor with any responses you have heard from your college applications. It is imperative we know the result of each application, as well as which school you will be attending in the fall. We cannot send final transcripts to your college unless we know, so share the good news ASAP!

Friday, May 3rd - NCC Live

NCC Live is a unique opportunity for juniors and seniors to get a taste of college before they apply. Program choices are available, so please see Mrs. Gorman in the College and Career Center or your school counselor for information. All forms are due back to Mrs. Gorman by Friday, April 5th.

Wednesday, May 15th – Trip to NCC for senior applicants to take the Accuplacer

Have you applied to NCC or HCC but haven't taken your placement tests yet?
