SUMMER IS COMING!

This school year has been a great one. School counselors have been hard at work attending conferences, going on college visits, participating in transition meetings for 8th grade students, and perfecting student schedules for the 2019-2020 school year. Schedules will be available to all students in August. As much as schedule anticipation is high, remember your school counselor WILL NOT show you your schedule until they're finalized, but will contact you if there are any conflicts. Have a wonderful and relaxing summer!

JUNIORS. JUNIORS. JUNIORS

visiting colleges this summer?

- **Act like a tourist:** take pictures, take videos, write notes, and ask questions...this could be your one time on campus before applying!
- **Eat on campus and talk to current students:** Remember your tour will show you the best of the best, so be sure to see the rest!
- **Drive through the area:** see what else goes on around campus.

AUGUST SATs

CollegeBoard offers an August SAT session (8/24). This is great for students that prefer not to juggle test prep with school work and other senior events in early fall. Unfortunately, Ludlowe and Warde are not available to give the SAT during this testing session. Test centers in the area include: Bassick HS (Bridgeport), Christian Heritage School (Trumbull), Shelton HS (Shelton), and Weston HS (Weston)
