Ever wonder what *really* happens inside the highly selective college admissions process? **Who Gets In And Why**, an interactive workshop designed by the Tufts University Office of Undergraduate Admissions, aims to show you. First, attendees will learn about the different components of a college application, and how those materials are evaluated by admissions offices. Next, everyone will participate in a case study designed to resemble the admissions process, featuring six real applications from prior Tufts applicants. **Who Gets In And Why** is a rare opportunity to get an inside look at what happens once applications are submitted.
