WELCOMING ACADEMIC RESPECTFUL DYNAMIC ETHICAL

This is the environment, also known as school climate that we strive to achieve for every student, every parent or guardian and every member of our faculty and staff every day. Each of us plays a part in creating this school climate.

We want to learn what you know about our school and to help us learn we are conducting our School Climate Survey. It is a completely anonymous survey. Our goal is to have every parent/guardian at Fairfield Warde to complete the survey.

We are interested in what our parents think about our school climate and we want your thoughtful participation in the survey next week. We often use this information in determining our goals and areas of improvement.

We take the issue of our school environment very seriously and ask that you do the same when completing the survey
