

9th Grade Orientation

Our school counselors and student volunteers, known as Warde Student Advisors, have planned a fine orientation program intended to be informative, welcoming, and on-going throughout the early part of this school year. Many 9th grade families will participate in the tours of the building to take place August 24-25, conducted by the Warde Student Advisors. The advisors will have a copy of the students schedules. Pictures are taken for FWHS ID cards. These cards serve as library cards, bus passes, textbook checkout and student activity passes. Orientation Day for the 9th graders will be held on August 31st. The schedule for this day is printed below. It will begin with a class meeting in the Auditorium at 8:15, followed by an extended homeroom period to help everyone get organized, and then a shortened schedule so that the 9th grade students can meet all their teachers and find all their classrooms before the upper class students arrive on Sept 1. The day will conclude with a class picnic in the school courtyard from 12:00 – 12:30. ***There is no school bus service on this day; students' families are responsible for transportation.***
