Schedule: Day 3

FWHS & FLHS COLLEGE ADMISSIONS PANEL

WEDNESDAY JANUARY 6, 2015

7:00 P.M. FAIRFIELD WARDE AUDITORIUM

A panel of six experienced college admissions officers will discuss how various colleges go about the process of selecting their students for admission to their schools. Each will give a ten minute overview of their institution and discuss how they review applications, the criteria they believe are important, and how they make their final selections to build a class each year.

The six schools represent a very diverse group of colleges. The presenters have experiences at a number of colleges and varied backgrounds. Their comments—while specific to their individual schools—will also give parents and students an insight into admissions at similar schools and the entire application and admissions process. After their presentations, admissions officers will answer questions from parents and students.

Attention Juniors

The school counseling department will be meeting with all juniors, through US History classes, the week of January 4-8 to administer a career interest survey. The Do What You Are survey is a personality type assessment that can reveal information about a student's strengths and blind spots, recommended career paths and relevant college majors, as well as tips for conducting the most effective career search. Using personality type assessments helps students identify their natural tendencies. They can gain confidence and greater self-awareness as well as insights that help them make better decisions and take advantage of their innate strengths.
