Course Selection Information Night

January 29th, 2014

7:00 PM

FWHS Auditorium

Believe it or not it's time to begin planning for next year's program for our students. With our new software, Infinite Campus, comes some changes (improvements, we hope) in the process for registering for next year's courses. We will kick off the course registration process on *Wednesday, January 29th at 7:00 PM in the FWHS Auditorium*. At this presentation, parents and students will learn about course offerings, expectations and work load in the various levels, and the process we'll use to develop the best possible program for each student.

Topics for the evening program include:

- The new course selection process and timeline
- The differences among Advanced Placement, Honors, and College Preparatory courses
- Brief overviews of core curriculum areas
- Information regarding work load and expectations for Advanced Placement courses
- Explanation of the add/drop policy

Informed choices make for better learning experiences for our students. Please make every effort to attend.

ACT Prep Class Starting in February at Warde - REGISTER NOW

ACT and SAT are very different tests and some students find the ACT a better fit. In general, the ACT is a straightforward exam that is tied more directly to the curriculum taught in school. Questions, however, can be long so being a fast reader is an advantage. There is less emphasis on vocabulary, than on the SAT. The math section tests more advanced concepts - like trigonometry. But, again, questions are very straightforward and not tricky, like in SAT exam. The ACT also has a science section which does not really question your science knowledge, but rather your ability to interpret data provided. The writing section is optional on the ACT, whereas its required on the SAT, although many schools require the ACT writing section. Some schools will waive a required SAT subject test for ACT students. (Some do not, so check college requirements.)

ACT Preparatory Class: Thursdays, 3pm-5pm from Feb. 20- Apr. 10 at Warde HS
