PARENTS – TAKE THE SCHOOL CLIMATE SURVEY!

As part of the comprehensive Safe School Climate Plan of the Fairfield Public Schools we are conducting a survey of all students, staff, and parents, seeking their views on the learning environment of our school. The survey will take approximately fifteen minutes to complete. Your feedback is important to us at Fairfield Warde and will help us identify our strengths and the areas we need to improve. The survey is completely anonymous. It is also available in Spanish and Portuguese. ***This year the survey will be administered through Infinite Campus*** and is available to complete from October 20th through October 31st and we are counting on your support and participation. We are looking to hear from all our families, so please show that Mustang Spirit and complete the survey today or maybe tomorrow, but no later than October 31st! Your opinions are very important to us. Let's work together and help us make a good school even better for all our kids.
