### **ATTENTION JUNIORS AND SENIORS AND THEIR PARENTS:**

*Homecoming Dance* November 2, 2013 6:00 PM – 9:00 PM No Tickets Sold at the Door

The start time of the annual Homecoming Dance on November 2<sup>nd</sup> has been moved up to 6:00PM at the request of some of our students who purchased tickets to a concert taking place on the same night in Wallingford. Our standard practice for dances is that students must arrive no later than 30 minutes after the scheduled start time (6:30 in this case) and may not leave until 30 minutes before the scheduled conclusion (8:30 in this case). Exceptions to this practice are made only in rare circumstances or in family emergencies. We do not consider the concert in Wallingford to fall into either of these categories. We ask that parents not request early dismissals from the event as that will make supervision and accounting for all students during the evening very challenging. We also urge student drivers and their parents to exercise caution and good sense driving practices if they are traveling to Wallingford after the dance. We do our best to provide a safe and fun-filled event and look forward to a memorable and safe weekend for all our students.

### **VISION SCREENING**

## **ATTENTION SENIORS – ANY STUDENT APPLYING VIA THE COMMON APPLICATION**

### **Daily Updates from The Common Application:**

**Payments:** All application payments are processed by a third-party vendor. In some instances, a record of payment is not transmitted back to an applicant's Common App account. This makes it appear to the applicant that the payment has not gone through when in fact it has. We have a daily process in place that reconciles the vendor's payment records with our own. Unfortunately, we are discovering that some applicants are paying a second time before we are able to update the original payment record in their account. We are working closely with our payment vendor on a solution.

Given the issues that some students experienced with the payment submission process, we want to help ensure that all students who think they have submitted an application have actually submitted. **Please have your students confirm that their applications have been submitted by checking their Dashboard. There will be a green check mark in the "Application" column for each submitted application.**

**Green Checks:** Occasionally, a green check might not display even after a section is complete. Students who encounter this problem should contact the Help Center. The Support Team can fix the issue quickly.

**Date Stamp Questions:** As a rule, submission date and time stamps are recorded in Eastern Time (EST). In some instances, these time stamps are defaulting to Greenwich Mean Time (GMT). Since GMT is several hours earlier than EST, some late evening submissions may display as the following day. Do not be alarmed if you see this. The submission time stamp will always be recorded accurately, even if the time zone reflected is incorrect.
