9th 10th and 11th Grade retakes and absentee photos will be taking place on Oct 30 and Oct 31 during the school day. Students should go to the Library Lecture room B during lunch or a free period.

This is the last opportunity to have their photo taken for the yearbook.

If it is a retake they must return the original picture.

### **ATTENTION JUNIORS AND SENIORS AND THEIR PARENTS:**

*Homecoming Dance* November 2, 2013 6:00 PM – 9:00 PM No Tickets Sold at the Door

The start time of the annual Homecoming Dance on November 2<sup>nd</sup> has been moved up to 6:00PM at the request of some of our students who purchased tickets to a concert taking place on the same night in Wallingford.

Our standard practice for dances is that students must arrive no later than 30 minutes after the scheduled start time (6:30 in this case) and may not leave until 30 minutes before the scheduled conclusion (8:30 in this case). Exceptions to this practice are made only in rare circumstances or in family emergencies. We do not consider the concert in Wallingford to fall into either of these categories. We ask that parents not request early dismissals from the event as that will make supervision and accounting for all students during the evening very challenging. We also urge student drivers and their parents to exercise caution and good sense driving practices if they are traveling to Wallingford after the dance. We do our best to provide a safe and fun-filled event and look forward to a memorable and safe weekend for all our students.

## ***SCHOOL COUNSELING, COLLEGE, AND CAREER NEWS***

### **ATTENTION SENIORS – ANY STUDENT APPLYING VIA THE COMMON APPLICATION**

Earlier this week I sent an inquiry to colleges and universities asking how they are addressing the problems with the new Common Application. Colleges are dealing with the common application issues in a variety of ways, some have extended their early decision and early action deadlines, some have posted messages on their websites, some are contacting their applicants by phone or email with specific directions, and others are waiting to see if these issues are resolved by this weekend. I encourage seniors, especially those who submitted early decision or early action applications, to check their college's website regularly for information or contact the admissions office directly if you are uncertain if your materials and payment have arrived in time. We are processing all applications and materials submitted to our offices in time for November 1 and 15<sup>th</sup> deadlines—if the materials were submitted on time to us. Please keep your School Counselor informed of any potential problems. Problems with the Common Application site should be addressed through their *Help Center* directly. Common Application reports that all issues should be resolved shortly.

**Error Page upon Submission.** On occasion, an applicant may see an error page upon submission. If this happens, the applicant should log out of his or her account and then log back in and go the Dashboard. The Dashboard should display confirmation that the application was submitted despite the error message observed during the submission process. The problem is with the page redirect, not the actual submission. We are working to fix this issue.
