Attention Juniors

The school counseling department will be meeting with all juniors, through US History classes, the week of January 4-8 to administer a career interest survey. The Do What You Are survey is a personality type assessment that can reveal information about a student's strengths and blind spots, recommended career paths and relevant college majors, as well as tips for conducting the most effective career search. Using personality type assessments helps students identify their natural tendencies. They can gain confidence and greater self-awareness as well as insights that help them make better decisions and take advantage of their innate strengths.
