### **FLHS & FWHS COLLEGE ADMISSIONS PANEL**

**THURSDAY, JANUARY 8, 2015**

**7:00 p.m. FAIRFIELD LUDLOWE AUDITORIUM**

A panel of four experienced college admissions officers will discuss how various colleges go about the process of selecting their students for admission to their schools. Each will give a ten minute overview of their institution and discuss how they review applications, the criteria they believe are important, and how they make their final selections to build a class each year.

The four schools represent a very diverse group of colleges. The presenters have experiences at a number of colleges and varied backgrounds. Their comments—while specific to their individual schools—will also give parents and students an insight into admissions at similar schools and the entire application and admissions process. After their presentations they will answer questions from parents and students. Representatives will be from Tufts University, UCONN system, Union College and one more to be announced. The evening will be informative and valuable for juniors and their parents as well as underclassmen and their parents: it is never too early to start thinking about post high school plans. Please join us.
