INTERESTED IN THE CHOIR PORGRAM?

This message is for students not currently involved in the FWHS Choir Program. I will be holding 2 choir preview rehearsals right after school for 45 minutes on Mon. **Feb. 10th and Wed. Feb. 19th**. These 2 identically structured days are designed to give students a look into the choir classroom. Are you a current freshmen, sophomore, or junior? Did you used to sing and you're thinking of getting back into it? Do you want to be a better singer but are not sure how to start? If any of those questions apply to you, I highly encourage you to come by on either Feb. 10th or Feb. 19th for one of the preview days!

The choir room is in the hallway right by the bus drop off area and the guy's locker room. I have green paper on my windows, so you can't miss it! Hope to see you on Feb. 10 or Feb. 19th!

SPIRIT WARE SALE

Please stop by our tables outside the cafeteria on Tuesday, February 25 and check out all the Warde Spirit Wear items. We'll be there during all lunch periods. If you have any questions please contact Susan Fiske at sfiske@optonline.net or Denise Walsh at dwalshct@att.net.

“Give yourself a Valentine. And get some Valentine’s day candy. The Human Relations Club is in the café on Wednesday and Thursday during all lunch waves. Come add to our “Love yourself” banner and get yourself some candy.”

The AFS club will be selling roses during **all** lunches on Wednesday, February 12th. We will not be delivering to Homerooms, so pick up your rose then. Single roses are \$5.00 each. Surprise your Valentine with a red rose!!

ACT Prep Class Starting in February at Warde - REGISTER NOW

ACT and SAT are very different tests and some students find the ACT a better fit. In general, the ACT is a straightforward exam that is tied more directly to the curriculum taught in school. Questions, however, can be long so being a fast reader is an advantage. There is less emphasis on vocabulary, than on the SAT. The math section tests more advanced concepts - like trigonometry. But, again, questions are very straightforward and not tricky, like in SAT exam. The ACT also has a science section which does not really question your science knowledge, but rather your ability to interpret data provided. The writing section is optional on the ACT, whereas its required on the SAT, although many schools require the

ACT writing section. Some schools will waive a required SAT subject test for ACT students. (Some do not, so check college requirements.)

ACT Preparatory Class: Thursdays, 3pm-5pm from Feb. 20- Apr. 10 at Warde HS

To register for the upcoming AlphaPrep ACT class, go to www.alphaprep.com and click on Services tab, then type FPHS in the course code window. Contact Mary Nardone jans1090@aol.com with questions.
