**Warde PTA presents: Life After Warde”
An Interactive Program for 12th Graders and their parents
Wednesday, February 5th at 7pm
Library Lecture Rooms & Auditorium**

We don't want you to think... "I wish I had known to talk about that."

Deans, Counselors AND Students from Fairfield and Sacred Heart Universities will present to and share with both parents and 12th graders in an interactive format about:

- What is really happening outside the classroom on college campuses and their towns? Is it what you think?
- Parents will learn strategies and talking points to start the dialogue with your child: How do you expect them to navigate the situations, stay safe and help others to be safe?
- Students will meet with current college students and learn strategies and practices to protect themselves in the real world of college.

"The first 6 weeks of college for first-year students are critical to their success; about 1/3 will FAIL to enroll for their second year.

INTERESTED IN THE CHOIR PORGRAM?

This message is for students not currently involved in the FWHS Choir Program. I will be holding 2 choir preview rehearsals right after school for 45 minutes on Mon. Feb. 10th and Wed. Feb. 19th. These 2 identically structured days are designed to give students a look into the choir classroom. Are you a current freshmen, sophomore, or junior? Did you used to sing and you're thinking of getting back into it? Do you want to be a better singer but are not sure how to start? If any of those questions apply to you, I highly encourage you to come by on either Feb. 10th or Feb. 19th for one of the preview days!

The choir room is in the hallway right by the bus drop off area and the guy's locker room. I have green paper on my windows, so you can't miss it! Hope to see you on Feb. 10 or Feb. 19th!

ACT Prep Class Starting in February at Warde - REGISTER NOW

ACT and SAT are very different tests and some students find the ACT a better fit. In general, the ACT is a straightforward exam that is tied more directly to the curriculum taught in school. Questions, however, can be long so being a fast reader is an advantage. There is less emphasis on vocabulary, than on the SAT. The math section tests more advanced concepts - like trigonometry. But, again, questions are very straightforward and not tricky, like in SAT exam. The ACT also has a science section which does not really question your science knowledge, but rather your ability to interpret data provided. The writing section is optional on the ACT, whereas its required on the SAT, although many schools require the ACT writing section. Some schools will waive a required SAT subject test for ACT students. (Some do not, so check college requirements.)

ACT Preparatory Class: Thursdays, 3pm-5pm from Feb. 20- Apr. 10 at Warde HS
