SCHOOL COUNSELING, COLLEGE, AND CAREER NEWS

ATTENTION SOPHOMORE PARENTS

The week of April 7th School Counselors will be administering the *Career Interest Profiler* to all 10th grade students through their English classes. The goal of this program is for each student to identify and explore careers that match their personal interests. We encourage parents and guardians to log on to their student's Naviance account (Username: first initial last name, password: student ID number) and follow the About Me Tab to the Career Interest Profiler follow-up survey. Students are encouraged to talk with family members about their college majors and career choices and to think about summer jobs or volunteer opportunities to explore their interests.

ATTENTION JUNIOR PARENTS

The post-high school planning process continues! In the coming weeks, the school counselors will be offering *College Search Workshops*. Students will learn about the college research options available in Naviance. In addition, we invite you to participate in an individual planning meeting with your student and school counselor. Please contact your guidance office to schedule an appointment.
