ALPHA PREP

SAT vs. ACT – HELP! How do I know which one to take??

The ACT is designed to evaluate your overall educational development and your ability to complete college-level work. Four areas are tested: English, Math, Reading and Science Reasoning, with an optional Writing Test. The SAT is more an aptitude test, designed to evaluate your general thinking, reasoning and innate problem solving abilities in the areas of Critical Reading, Math and Writing (no science.) The two exams have different emphasis and only you will know which test format is better suited to your strengths. [Learn more by clicking here.](#)

AlphaPrep offers 16 hour test prep courses for both the SAT and the ACT, as well as practice tests to help you determine which exam is right for you.
