

Wed, 11/19/2014 PTA – 7:00pm – Auditorium

9th Grade Forum on Underage Drinking and Other Risky Behaviors

Learn the facts about the negative effects of underage alcohol consumption, parental liability under the social hosting laws, and how to strengthen communication in families about risk-taking behaviors. All freshman students and families are expected to attend. Don't miss this opportunity to have a positive influence on your child's choices!

Wed, 11/19/2014 PTA – 7:00pm – Auditorium

WENT IN BLAST 10/19

9th Grade Forum on Underage Drinking and Other Risky Behaviors

Save the Date! All freshman students and their families are expected to attend to hear vital information about the dangers of alcohol and marijuana to students. Presentations from knowledgeable professionals will dispel common myths and misperceptions about substance use in our community, parental responsibilities, and legal ramifications. A young adult speaker with personal experience of addiction will speak about consequences of poor choices. This event will help families improve communication at home about teens' risk-taking behaviors.

Wed, 11/19/2014 PTA – 7:00pm – Auditorium

9th Grade Forum on Underage Drinking and Other Risky Behaviors

Parents: Prevent the negative consequences of teen substance abuse by establishing clear expectations of your child. Students: Get the facts about how drugs and alcohol can impact your health, safety and future. All freshman families are expected to attend this annual presentation to receive helpful information about decreasing the risks of underage substance use. Support students' healthy decision-making by learning about parent-teen communication tools to use at home.

Wed, 11/19/2014 PTA – 7:00pm – Auditorium

9th Grade Forum on Underage Drinking and Other Risky Behaviors

Our schools and families form a strong partnership in supporting students to resist the use of alcohol, marijuana and other substances. Join us to discover how parents can strengthen their teens' resistance to negative peer pressure and how the school system helps foster making healthy choices and setting constructive goals. All freshman students and their families are expected to attend this presentation.
