Dear 11th Grade Parents/Guardians and Students:

The School Counseling Department at Fairfield Warde High School will hold our annual ***Post High School Planning Kick-Off Program*** on **Thursday January 29th** (snow date January 30th). Juniors and their parents/guardians are invited to attend this important and informative program. The goal of this program is to officially “kick off” the post-high school planning season for our juniors.

The FWHS School Counselors will provide an overview of how they specifically assist each student and family in the selection and application process. They will discuss the procedures used with students in the search process and share more specifics about the actual filing of applications during senior year. They will also share information about future programs that are a part of our comprehensive Post High-School Planning program.

Our school counselors are available to your student throughout the process to assist in many ways. Be sure to call upon them to answer your questions. While there are people operating under the title of “college counselor” who will solicit your business, there is no way for them to have the same personal knowledge of your student. We have a very strong group of counselors at FWHS and their knowledge and experiences will be helpful as you make informed choices. We ask that you call to schedule an individual Post High School Planning meeting with your counselor starting February 1st. All students should have this meeting with their counselor prior to April vacation.

The Post High School Planning Kick-Off Program will take place at FWHS in the auditorium beginning at 8:15 AM sharp. All Juniors are required to attend from 8:20 –9:04; parents may remain for a question and answer period. Please plan to sit with your son or daughter, by House, in the auditorium.

Sincerely,

Caryn F. Campbell
Director of Student Services

*Please note **parking** is limited to one of 3 areas: any *non-numbered* parking spaces (the number of these spaces is very limited), there will be a special parking area in the bus drop-off area, staff will direct you, and parking will be permitted along Knapps Highway and Melville Avenue.

Welcoming Academic Respectful Dynamic Ethical
