

Driver's Ed is Now Available at Fairfield Warde High School

Learning to drive should be an easy and worthwhile experience. Sure, anyone can teach you how to drive – but no one can do it like The Next Street at Fairfield Warde High School. How? We know you just want your license, so our team makes things clear and simple – because the quickest road to get you anywhere is straight forward.

Dates for driver's ed for the 2016-2017 school year at Warde are as follows:

Tuesdays and Thursdays from 2:30pm - 4:30pm

October 11, 2016 - December 8, 2016

January 17, 2017 - March 9, 2017

March 18, 2017 - June 6, 2017

Pricing

Full Driver's Education Course - \$649

Our Recommendation Convenient classes held right after dismissal at Fairfield Warde High School! This course includes 30 hours of time in the classroom and 8 hours of private driving lessons. In addition, after completing the course teen students will have a shorter wait time for their license and most insurance providers will offer a discounted rate.

8 Hour Safe Driving Course - \$149

This 8 hour classroom training program fulfills the minimum State of CT requirements in order to get a Driver's License. This course DOES NOT include any private driving lessons, but they can be added at time of enrollment. Classes held right after dismissal at Fairfield Warde High School!
