I give permission for my child to participate in high school athletics realizing that such activity involves the potential for injury which is inherent in all sports. I acknowledge that even with the best coaching, use of appropriate equipment and strict observance of rules, injuries are still a possibility. On rare occasions, these injuries can be so severe as to result in total disability or even death. I acknowledge that I have read and understand this warning.

FAIRFIELD WARDE HIGH SCHOOL ATHLETICS

Athletic Code

Our athletes have a responsibility to provide a positive image on the fields and courts, in the classroom, and in our community. Our athletes are expected to conduct themselves in accordance with this code. All athletes must sign this code prior to participation. The athletic code is a twenty-four hour rule and extends beyond the school day.

On the playing fields or lockerroom area: Fair play is expected at all times. No athlete will use profanity. An athlete will respect teammates, opponents, officials and spectators. Athletes shall conform to the behavioral norms of the school and act in a responsible manner with regards to the rules and regulations established in the Fairfield Warde Student Handbook. Consequences will be exercised when needed.

In the classroom: A good athlete is also a good student and one who complies with all school rules and regulations. This means good attendance, participation, effort and behavior. An athlete must attend and partake in physical education classes. If a player is not prepared and does not partake on game day, that player will not be allowed to participate in that day's contest. An athlete cannot participate in practices or contest on days when s/he has not attended school.

The use of illegal substance: An athlete shall not use or have in possession any illegal substances (narcotics and alcohol). This is a twenty-four hour rule and extends beyond the school day. Failure to comply with this code will result in the following consequences:

First offense – A two-week suspension from practices and games (excluding vacations where the team does not practice or play). The student-athlete will be required to meet with the high school substance abuse coordinator prior to rejoining the team. Upon completion of the suspension, the athlete may apply for reinstatement through a reentry interview with the Athletic Director and coach.

Second offense - A second offense will result in removal of the student-athlete from the team for the remainder of the season.

Third offense – A third offense will result in removal of the student-athlete from all sports teams for the entire school year.

The use of tobacco products: An athlete shall not use or have in possession any tobacco products. This is a twenty-four hour rule and extends beyond the school day. Failure to comply with this code will result in a one-week suspension from practices and games (excluding vacations where the team does not practice or play).

Athletes failing to conform to meet the requirements of the contents of this Code of Conduct shall face disciplinary action. If an athlete becomes involved in an incident so as to bring adverse publicity to the athletic program, or if the athlete is engaged in conduct that may be considered harmful to him/her self, the team or school, the athlete may be suspended from their sport.

I have read the Athletic Code for Athletes and agree to adhere to it while participating in athletics at Fairfield Warde High School.
