

## March 10, 2015 Choir Rehearsal Make-Up Assignment

1. Please write either a bulleted list or paragraph that describes in detail your logistics. Your answer should include...
  - a. Where you sit in the auditorium when you're not performing.
  - b. Where you stand for "Tshotsholoza." (Who you're next to, what row you're on, what side of the stage you're on).
  - c. Where you stand for "Durme." (Who you're next to, what row you're on, what side of the stage you're on).
  - d. Where you stand for "He Lives in You." (Who you're next to, what row you're on, what side of the stage you're on).
  - e. How we're going to exit the risers after the very last piece.
2. Record yourself singing your part for "Tshotsholoza." Start at "wenu" and go through the ending. Email that recording to MrsVerneyFink@gmail.com

**This is due by Thurs. 3/12.** You will need to talk with friends/other students to find these answers. If after talking to them you still don't know, please see me and I'll help you.

The easiest would be for you to email me the assignment, though you can also give me a printed handout.

Thanks!

Mrs. Verney-Fink
