

Fairfield Woods Middle School

Summer Newsletter (2017)

Team B - 7th grade

Welcome back!

Hello Team 7B students and parents! We hope you all had a fun and relaxing summer! We wanted to introduce ourselves and give you some important information to make the transition back to school a little easier. We are looking forward to an exciting 7th grade school year with you!

Important Information:

First Day of School: Thursday, August 31st

Infinite Campus:

Please visit Infinite Campus for access to important information about your child's assignments and grades. Here is the link:

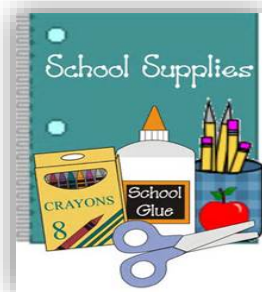

<https://campus.fairfieldschools.org/campus/portal/fairfield.jsp>

If you do not have access to Infinite Campus, please e-mail this link for help:

reghelp@fairfieldschools.org

School Supplies:

- Preferably, you should have a 1.5" binder for **each subject** (*math, science, social studies, and L.A.*). You may use one larger binder if that helps you stay organized better.
- Wide-ruled loose leaf paper
- A one-subject spiral notebook for L.A. (*wide-ruled with tear-out pages*)
- Homework folder
- Tabs for your binder
- Blue and black pens
- **LOTS** of pencils
- Scientific calculator
- Highlighters
- Post-its
- Colored pencils (for S.S. and Science)
- SSR book (*for L.A. and homeroom*)
- Flash drive to back up files shared from school and home (*optional*)

Meet your teachers!

Mrs. Benway..... Language Arts

Mrs. Rapp..... Science

Ms. Coombs..... Geography

Mr. Fusco..... Math

L to R: Mrs. Benway, Ms. Coombs, Mr. Fusco, Mrs. Rapp

We hope that you all had a great time relaxing this summer, whether relaxing on a beach, hiking a mountain, or reading a book. We also enjoyed our time off, but we have been preparing for meeting you in August.

There are three teams this year in seventh grade: Team A, Team B, and Team W. **You will be members of Team B.** Each team has just about 100 students, so there will be tons of people to add to your list of friends!

So you can get to know us a little better, we would like to tell you a few things we did over the summer...

Mr. Fusco spent a lot of time working around his house and relaxing outdoors. Fun fact: He loves animals, especially dogs.

Mrs. Benway spent a lot of time with her friends and family in Fairfield over the summer. Mrs. Benway, her husband, Erik, and their daughter, Avery, welcomed their new baby, Dylan, this year! Fun fact: She grew up and went to school in Fairfield just like you!

Mrs. Rapp spent some time in Nantucket and Chatham, Cape Cod. She also went on her annual hike through the Adirondacks to find animal bones. She found a lot including a few animal skulls! Make sure you check them out in her classroom! Fun fact: She loves penguins and the color pink.

Ms. Coombs, our team athlete extraordinaire, played in several doubles volleyball tournaments. Fun fact: Her favorite sports team is the NY Rangers.

School will be a blast this year. Science has some great activities including a few "mysteries" to engage curious minds. Geography will make great connections to current events that affect you, which you may end up writing about in Language Arts. Decimals, fractions, and percentages are on the schedule for math.

Enjoy the last few of days of summer. We are all excited to meet you on August 31st.

Sincerely,

Mrs. Rapp, Mrs. Benway, Ms. Coombs, and Mr. Fusco
