

FWMS EXTRA CURRICULAR ACTIVITIES SCHEDULE

Please note: If your child is signing up for a sports activity, you will need to “register” them for Intramural Sports:

1. Go the FWMS web site, click on intramural sports (blue link on the right side of the web site page) and follow directions.
2. A letter is automatically generated that is sent to FWMS and your child is then eligible for any and all FWMS after school physical activities for the school year.

Changes, cancellations, and new club additions are announced on an ongoing basis. Students can check on the activity bulletin board in the cafeteria for updates.
